MONETT

Is a darn good town, but it is like a pretty woman in a dirty dress.

What this town needs is a good live building, repairing and painting boom.

It's a crime to let our property get in the shape some of it is in.

Always use Arkansas Soft Pine
 for Interior Trim...

The Landlord says: "Can't Build any more houses or fix up. Rent is too cheap."

The Renter says: "It don't pay to build, you can rent cheaper."

We say to the Landlord: "Raise your rents so your investment will pay."

We say to the Renter: "Buy or build a home of your own, in fact there are many cases where the landlord will sell you the home you rent on the payment plan for just a little more than you pay each month for rent. That's business. Think it over as by doing this you'll soon own the home and can borrow money on it if you like, which you cannot do on a bunch of rent receipts.

EVERYBODY SING

There's no place like home and I own mine.
 Salzer's will help you if you take the time.
 I want an automobile. Sure that's fine
 But buy or build a home first. That's sublime.
